We reserve the right to implement technical modifications!

Version / Characteristics

- Designed for: Bartscher KV1 coffee machine
- For use with dregs container and dregs ejector chute with KV1 discharge opening.
- Thanks to the use of KV1 water drain hose, the emptying of water collection container in KV1 coffee machine is no longer necessary.

Installation

To connect the KV1 water drain hose, perform the following steps:

1. Tilt the coffee machine to the side.
2. Insert the water drain hose with connector to the dedicated recess in the bottom plate of the appliance and press hard, until the connector engages in its location.
3. Route the water drain hose at the rear wall of the appliance down to the discharge.
