

## Vacuum machine 315, 315mm

### Description

### Features

|                            |                                                 |
|----------------------------|-------------------------------------------------|
| • Material lid:            | Plexiglas                                       |
| • Chamber dimensions:      | W 322 x D 365 x H 160 mm                        |
| • Power load:              | 0,5 kW   230 V   50/60 Hz                       |
| • ON/OFF switch:           | Yes                                             |
| • Number of welded joints: | 1                                               |
| • Length welding rod:      | 315 mm                                          |
| • Vacuum pump:             | approx. 133 L / min. (8 m <sup>3</sup> / hours) |
| • Vacuum control:          | Time-controlled                                 |
| • Including:               | -                                               |
| • Maximum vacuum:          | -990 mbar                                       |
| • Digital display:         | Yes                                             |
| • Properties:              | -                                               |
| • Material:                | Chrome-nickel steel                             |
| • Important information:   | -                                               |
| • Colour:                  | Silver                                          |
| • Control unit:            | Knob                                            |
| • Control lamp:            | -                                               |

### Add on Products

#### Vacuum bags K1,2L

- Content: 1,2 litre(s)
- Order quantity unit: 1 pack (100 bags)
- Bag size: 160 x 250 mm
- Designed for: Chamber vacuuming units
- Design: Smooth
- Sous-Vide suitable: Yes
- Properties: 4-layer

Code-No. 300311  
GTIN 4015613610320

#### Vacuum bags K2,5L

- Content: 2,5 litre(s)
- Order quantity unit: 1 pack (100 bags)
- Bag size: 200 x 300 mm
- Designed for: Chamber vacuuming units
- Design: Smooth
- Sous-Vide suitable: Yes
- Properties: 4-layer

Code-No. 300312  
GTIN 4015613610337

#### Vacuum bags K7,5L

- Content: 7,5 litre(s)
- Order quantity unit: 1 pack (100 bags)
- Designed for: Chamber vacuuming units
- Design: Smooth
- Sous-Vide suitable: Yes
- Properties: 4-layer  
Free from softeners
