

B = Summer/buzzer
 C = Wahlschalter/selecter
 EL = Magnetventil f. Beschwadung/
 electric valve for humidifier
 IU = Feuchtigkeitregelung/
 humidity control
 L = Außenleiter/alimentation(line/phase)

LA = Backofenlampe/ oven lamp
 MR = Motor/ motor
 MT = Kühlgebläse/ cooling fan
 N = Neutralleiter/ alimentation (neutral)
 RC = Heizelement/ heating element
 RG = Grill-Heizelement/ heating element grill
 ST = Signallampe rot Thermostat/
 red light on/off thermostat

SV = Signallampe grün Backofen/
 green light on/off thermostat
 T = Backofenthermostat/oven thermostat
 TI = Timer/timer
 TS = Sicherheitsthermostat/ security thermostat
